2. Knowing the historical background of the Psalm helps you appreciate it more and understand it better.
3. Reading the history section of the Old Testament will help you greatly in understanding and appreciating the Psalms.
4. In our society, God is constantly being redefined. Even in the church, people have a false concept of who God is. The Psalms give us an accurate picture of who God is.
5. The Psalms help us spend time in loving communion with God.
6. Christ died for us so that we could enjoy the blessings of a Father-child relationship with God! The Psalms beautifully sing the attributes of God and draw us close to Him in loving fellowship.
