Ephesians 4:11-16

1. The goal of building up the body of Christ is unity. **vs. 13**
2. At Trinity Baptist, our goal is that we would be built up in Christ, that we would be unified in our knowledge and belief of the truth, and in our experiencing a life-changing relationship with Christ, together. **vs. 13**
3. The goal of building up the church is maturity. **vs. 13**
4. To be a mature Christian means to be Christ-like—to display the presence of Christ in your heart by your thoughts, words, and actions. **vs. 13**
5. An immature church is tossed and blown around by false teaching. **vs. 14**
6. Trinity Baptist Church exists to build one another up in Christ so that we can become mature Christians together. **vs. 13-16**
7. Are you committed to spiritual maturity, in your life, and in the lives of the other members of this church?
8. Our spiritual maturity comes from our connection to Christ our head. Christ is the goal of Christian maturity, but He is also the source. **vs. 16**
