Pastor David Gordon

1. We must yield to Christ as He sets us free from pride and self-righteousness and fills us with humility and compassion. **Matthew 7:1-5**

Why should you commit to being part of a local church?

- a. You are part of a body, and you need the rest of the body to succeed in your Christian race.
 - b. You are part of a body, and the rest of the body needs you to succeed in their Christian race.
2. Trinity is not a building; Trinity is not a business; Trinity is simply a group of believers that, out of love for God and each other, have decided to run the Christian race together.
 3. A commitment to Trinity Baptist is:
 - a. A commitment to helping your brothers and sisters follow Jesus.
 - b. A commitment to accepting help from your brothers and sisters.

How can you help your brothers and sisters walk with Jesus?

4. Deal with your own sin. **vs. 5**
5. Don't judge your brothers and sisters, but instead, help them with their sin. **vs. 5**
