Ephesians 4-6

Pastor David Gordon

3/18/18

We have been given so much grace and so many undeserved spiritual blessings, how then do we live a life worthy of our calling as God’s children?

1. Living a life worthy of our calling means living in unity with all other Christians around the world, regardless of race, gender, denomination or tradition.
2. Each individual member must serve the body. We must all work together to build each other up into being more and more like Christ.
3. Since Christ has given us new life, we must lay aside the old self and put on the new self.
4. Living a life worthy of our calling means yielding to Christ in us, in all of our relationships.
