

“Embracing Humility”

Philippians 2:1-11

Pastor David Gordon

1. Humility is an attitude of dependence on and submission to God. The humble person comes to God knowing that they are unworthy and undeserving of being His child.
2. Humility serves Christ in secret, forsaking the need for notice or praise by anyone other than God.

Matthew 23:1-12

What does humility look like in our relationships with others?

3. Do nothing from selfishness. **vs. 3**
4. Do nothing from empty conceit. **vs. 3**
5. Consider others more important than yourselves. **vs. 3**

How do we humble ourselves before the Lord?

6. Submit to God. **James 4:7-10**

A helpful tip for maintaining an attitude of humility in all of your relationships:

7. Remember who you were and where you came from.
