Church Awareness Seminar: Persecution Preparation

As our society becomes more and more hostile toward Christianity, the possibility of persecution seems likely. Our brothers and sisters overseas have stood strong for decades. Come and learn important lessons from them on how to stand firm.

This seminar is for pastors and dedicated volunteers. Lunch will be served.

Strategic Importance

Freedom of religion is being threatened in the USA. Many believers, including some Christian leaders, aren't aware of this, and even more, they may have no insight on how to deal with discrimination and restrictions in freedom of religion. Learning from the Persecuted Church could greatly benefit these believers and help them to stand strong in the face of persecution.

Our special guest speaker will share lessons learned from the Persecuted Church and how we can stand strong for the persecution coming.

Desired Results

Active Christians will be aware of the situation and be ready to stand strong for Jesus Christ and remain a witness for Him.

Please contact Trinity Baptist at 760-347-0604 if you have questions or to RSVP. Please RSVP by Monday, November 2nd. You can also send your RSVP to info@ourtrinityfamily.com.

Therefore I am well content with weaknesses, with insults, with distresses, with persecutions, with difficulties, for Christ's sake; for when I am weak, then I am strong. 2 Corinthians 12:10 (NASB)
