

“Man Does Not Live On Bread Alone”

2 Timothy 3:16

The Word of God has 4 purposes

1. The Bible teaches you the truth about Christ and the Christian life.
2. The Bible shines light on your sin, and shows you where you've gotten off of Christ's narrow road.
3. The Bible helps you get your life back on Christ's narrow road.
4. The Bible trains you to be a follower of Christ.
